Announcements/ Summer Member Meeting Schedule

- ADAPT and Colorado School of Mines collaborated with Adam Savage on his new show Savage Builds, premiered on Friday June 14th 8:00 MT. Together with ADAPT board member Craig Brice and ADAPT member company EOS, an Ironman suit was created for Adam Savage that was bulletproof and could fly.
- August – No Member Meeting – ADAPT Optimizing Additive Workshop (August 26th – 27th) Registration is open for this two-day workshop focusing on brainstorming and collective discussions with academic and industry experts in additive manufacturing. Register via link <http://csmospace.com/register/574> or on ADAPT website.

Site Tour of Elementum 3D – Erie, CO then July Summer Social at The Old Mine in Erie, CO

- Toured the new location of Elementum 3D with Jacob Nuechterlein.
- Conversations and networking moved to The Old Mine in Erie, CO for drinks and snacks.

August Member Meeting Cancelled – Please attend our Optimize for Additive Workshop on August 26th and August 27th at CSM Campus.
