#### **Announcements/ Summer Member Meeting Schedule**

- ADAPT and Colorado School of Mines collaborated with Adam Savage on his new show Savage Builds, premiering on Friday June 14<sup>th</sup> 8:00 MT. Together with ADAPT board member Craig Brice and ADAPT member company EOS, an Ironman suit was created for Adam Savage that was bulletproof and could fly.
- ADAPT STTR project is moving into phase II, we are interested in collaborating with member companies to complete phase II.
- July Member Meeting – July 10<sup>th</sup> – 1:30-3:30 – Elementum 3D Tour and July Summer Social
- August – No Member Meeting – ADAPT Optimizing Additive Workshop

(August 26<sup>th</sup> – 27<sup>th</sup>) Registration will soon open for this two-day workshop focusing on brainstorming and collective discussions with academic and industry experts in additive manufacturing. More details will be coming out in the ADAPT newsletter

### **Site Tour of 3D Systems – Healthcare- Littleton, CO**

- Toured the Multi Jet printing lab, Color Jet Printing Lab, Sterolithography Lab, and Customer Innovation Center.
- Unfortunately, no photography was allowed. Please visit 3D systems website for photos and descriptions of their printers, products and design process.
